STARFIELD
CROWBOROUGH,
SUSSEX

2 March 1903

Mr B R Baumgardt

Dear Sir

Your letter of 17th ult. just received; I do not supply lantern slides, but any photographer in Los Angeles could make you the slides you require from the copy of knowledge to which you refer, & I have pleasure in giving you permission to copy them for the purpose you name

Yours truly
Isaac Roberts

Sir Issac Roberts - 1903

Famous English Astronomer —

Early astronomical photographer.
